Bro. Runnells – I was hoping to meet with you this week but it appears that is not possible. Since our conversation two weeks ago, I have received additional information which facilitates holding a Stake Disciplinary Council in your behalf. The council will be held February 14<sup>th</sup> 2016 @ 7:15pm at the Stake Center. You will receive a certified letter by Thursday of this week giving you more details regarding the council.

Pres. Ivins

Thank you,  
President Ivins

President Ivins,

As we agreed on our phone conversation two weeks ago (Jan. 25th), I am able to meet with you on March 15th. This date has not changed. As also agreed on the phone, please have your secretary arrange a time for me to come in on that date.

Thank you,  
Jeremy

President Ivins,

I received your voice mail asking me to call you. I need to communicate via email as it's easier for me than over the phone (I'm still hard of hearing and you're not the easiest guy to hear).

What can I help you with?
