President Ivins,

I can come in on March 15, 2016 @ 7:30pm.

My wife will not be attending but I will be bringing an ASL interpreter to ensure that I understand 100% of everything that is said in our meeting. My situation has changed since our last meeting in the fall of 2014 as I recently lost half of my hearing.

I look forward to talking to you.

Best,
Jeremy
