**RE:** Representation of Jeremy Todd Runnells

To Whom It May Concern:

The purpose of this letter is to notify you of my representation of Jeremy Todd Runnells effective the moment he hands you this letter.

Attached is his formal resignation from the Church of Jesus Christ of Latter-day Saints.

Mr. Runnells's resignation, by law, is effective immediately. He is no longer a member of your organization and is therefore not subject to your discipline, "Church Court", or "Church Law".

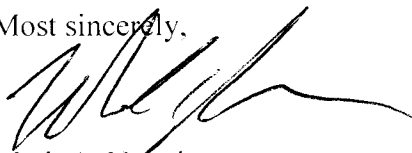

This resignation is unconditional and **must** be considered immediate and final. In the coming days, I will submit an official request with Membership Records to have his name and membership removed from every level of your organization.

As you may know, Mr. Runnells and his work have a very high profile in the State of Utah and beyond. Any attempt to excommunicate, discipline, or punish him either by you, your organization, or the community will be met with necessary legal action. This will include any and all legal means to protect Mr. Runnells, his reputation, and his rights.

Mr. Runnells is not to receive any unsolicited contact from members of your organization in any capacity seeking to dissuade, challenge, or discipline him for his decision.

If you have any questions, you can contact me directly.

Most sincerely,

Mark A. Naugle
